**SUBJECT:** SASOL BEE ORDINARY (SOLBE1) SHARE: CHANGE FROM BEE CONTRACT VERIFICATION PROCESS TO BEE VERIFICATION AGENT PROCESS

**Name and Surname:** Alex Comninos

**Designation:** Head - Post-trade Operations

Clients are notified that the BEE verification process for SOLBE1 will be changing with effect from 11 March 2019 per the extract below from the attached Sasol document.

The SOLBE1 share was listed on the JSE Empowerment Segment during February 2011. Since then, the BEE Contract Verification process has been used to determine if a purchaser of SOLBE1 shares is a BEE Compliant Person. This meant that every purchaser of SOLBE1 shares was required to sign a BEE Contract. In November 2018 Sasol shareholders approved that the BEE Contract Verification Process be replaced by the BEE Verification Agent Process which now means that a BEE Verification Agent will determine if a purchaser of SOLBE1 shares is a BEE Compliant Person. This also means that the signing of a BEE Contract by a purchaser of SOLBE1 shares is NO LONGER REQUIRED. The BEE Verification Agent Process will be implemented by Sasol with effect from Monday, 11 March 2019.

Sasol has appointed **Computershare Investor Services Proprietary Limited as BEE Verification Agent**. For further details on the new verification process please refer to the attached notice from Sasol.

Please note the new agent verification process is applicable to new clients, clients that have already been verified will not need to be re-verified.
