AUGUST 2018

Table of Contents

1. REVISION HISTORY

Version	Description	Date
1.0	Initial release	13/08/2018

2. INTRODUCTION

The purpose of this guidance note is to assist clients with password management for ITaC.

3. PASSWORD POLICY

3.1 PRODUCTION TRADING GATEWAY

The default for all Production Trading Gateway Comp-ID's upon first login is **tr@ding123**; **you are then required to change the password upon first login** accordance with the JSE's password policy. With the same logon message you will be required to specify a new password as follows:

- Minimum of 8 characters in length
- Minimum of 1 alphabetic character (case sensitive)
- Minimum of 1 numeric character
- Minimum of 1 special character

Upon successful submission of this message you will receive an acknowledgment of successful login.

3.2 MARKET DATA GATEWAY

The default password for the Market Data Gateway is **jseinfo123**. This is the default password that can be used for every subsequent login and is not required to be changed.

3.3 REAL TIME CLEARING (RTC)

The default password for Real Time Clearing (RTC) is set to the name of the Comp-ID.

E.g. Comp-ID = ABCRT01, Password = ABCRT01.

The password requirements are:

- Password must contain at least one letter and one number
- Password must be at least 6 characters in length
- Password is only valid for 30 calendar days
- After 3 failed attempts, RTC will lock out the account; clients will need to contact JSE to unlock the account
- Password change is forced upon first login.

5. DRESS REHEARSALS

During the week of the Dress Rehearsal, please take note of the following:

- If the passwords are changed on the trading gateways, clients are required to then reset the password on the day of the dress rehearsal. For the Dress Rehearsal on **18th August 2018**, clients are urged to not change the trading gateway passwords in the week, **14th August 2018 to 18th August 2018**.
- All Real Time Clearing (RTC) passwords are reset to the Comp-ID.
  E.g. Comp-ID = ABCRT01, password = ABCRT01.
  Clients can login and change these passwords from the **Thursday, 16th August 2018**. Clients are strongly urged to reset passwords on RTC prior to the Dress Rehearsal on **18th August 2018** in order to prevent any connectivity issues on the Dress Rehearsal.
- Market Data passwords are not impacted and users can login using the default password of **jseinfo123.**
