Amendments to the JSE Debt Listings Requirements: Sustainability Segment

The JSE intends to amend the Debt Listings Requirements to expand the current Green Segment to a Sustainability Segment, which will include sustainability instruments under the Green Bond Principles, Social Bond Principles and Sustainability Guidelines.

The marked-up amendments along with an explanatory memorandum will be available on the JSE's website (*Route: Companies & Issuer Regulation/Issuer Regulation – Announcements regarding Listings Requirements*).

We invite comments on the amendments to the Debt Listings Requirements by close of business, Wednesday, 18 March 2020, and comments can be sent directly to alwynf@jse.co.za.
