

Frank Vein and Future Capital Bio

About Frank Vein

Frank is a career Investment Banker with more than 25 years of professional experience in banking and finance, both locally and internationally. He has worked with a variety of large and medium sized companies in Europe, Asia and South Africa and closed transactions for companies in the UK such as Tomkins, Coates Viyella and Hanson Industries and for Far East companies such as among which Mitsui, Sumitomo, Olympus, Nissan, and Samsung.

Frank holds a BSc (Hons) Degree in Biochemistry from the University of Essex, UK. He also holds the Associate Chartered Institute of Bankers, UK (ACIB) qualification. He started his Finance career with Barclays Bank in the City of London, following which he joined ABN AMRO Bank in South Africa and was a key member of the team responsible for establishing the Bank's South African operations. He also set up the South African division of ABN AMRO's Diamond Bank which financed the local diamond and jewellery trade. Following this, he held Senior Corporate Banking roles with Credit Agricole and BNP Paribas. His most recent experience is with JP Morgan Chase as an Executive Director responsible for the Bank's South African Corporate Clients. In South Africa Frank concluded deals for the likes of Eskom, Transnet, Gold Fields, Sibanye and Sasol.

About Future Capital Training and Consultancy

Future Capital Training and Consultancy (Pty) Ltd (Future Capital) is a privately held banking and financial training and consulting company based in Johannesburg, South Africa.

Through our Future Capital Academy of Banking and Finance, we provide a range of Corporate and Investment banking short courses to Banks and Non-bank financial institutions, Law Firms and Corporates. As well as banking and financial training courses, we also provide non-financial training programmes such as Team Effectiveness and Executive Leadership Development. All our training programmes are facilitated by experienced practitioners in their respective fields making sure that delegates receive best in class training.

We are also able to work in conjunction with Clients to design bespoke financial training programmes which addresses the more specific need of the institution concerned.

Although based in Johannesburg, the Future Capital Academy of Banking and Finance has no real borders and is able to deliver training programmes wherever our clients may be situated, worldwide.
