

Amendments to the JSE Listings Requirements, DSS Requirements & Simplified Listings Requirements

July 2025

Central Securities Depository

The JSE is proposing amendments to the JSE Listings Requirements and the JSE Debt & Specialist Securities Listings Requirements, as set out in **Annexure A and B**.

On the basis that the Simplified Listings Requirements are in the final stages of public consultation, the JSE has shown the proposed amendments to the Simplified Listings Requirements which were published in the Government Gazette during March 2025. Please refer to **Annexure C**.

The JSE has been in discussions with the Financial Sector Conduct Authority (FSCA) regarding the named references to “Strate” as the JSE’s appointed CSD in the Listings Requirements.

Following these discussions, the JSE and the FSCA have reached an agreement that the JSE will amend the Listings Requirements by replacing all specific references to “Strate” with “the central securities depository”.

Furthermore, in the proposed amendments to the JSE directives, “Strate Limited” will be identified as the central securities depository currently appointed by the JSE.
