# Introduction

## Introduction

Contracted distributing user which broadcasts any data by means of television (broadcasting user) may only distribute data on television if the conditions in this policy are complied with.

Conditions

## Conditions

1. Only live data or delayed data can be broadcast.
2. Live data may only be displayed by means of a scrolling ticker.
3. The contracted user must make sure that no person downloads, electronically extracts, transfers, copies, redistributes or otherwise manipulates or changes any data from the television medium.

Application

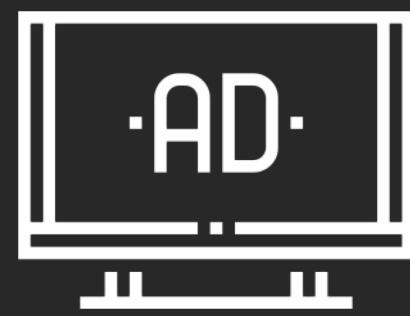

## Application

1. Should the conditions not be met, or in the reasonable opinion of the JSE, any action of the broadcasting user negatively impacts the JSE brand or any other Intellectual property rights of the JSE, the JSE may immediately withdraw its consent for the broadcasting user to broadcast the data or may charge all applicable distribution license fees.
2. No end user fees are applicable for the broadcasting in terms of this policy but distribution licence fees as set out in the price lists are applicable.
